Company profile

C.D. Great Industry Co., Ltd. established in 2002 with priority on high-quality OEM/ODM service. We have years of experiences in supplying worldwide market with ready-to-assemble products. We have capability and R&D resources to develop and manufacture OEM and ODM products. We also provide comprehensive solutions for clients to refine the design, streamline manufacturing process to reduce costs, making designs possible for manufacturing.

Our products are manufactured under a strict control program with ISO 9001 certified. In order to meet each customer's expectation, every step of the manufacturing process is monitored under supervision including incoming material inspection, processing and product inspection, final-product inspection, packaging regular check to ensure quality. Additionally, our quality control inspecting team composed of well-trained professionals, we have our own Testing Lab facilities equipped with projection comparator, RoHS Analyzer, fatigue, hardness and endurance capability testers to ensure the best quality provided. SOP is laid out in detail and strictly abided by each stage leading to proven efficiency and accuracy in mass production. Our mission is to provide high-quality products and efficient service with the most innovative designs and attractive prices to our worldwide customers.

Introduction to OEM Capability One

OEM/ODM Service

CDG is a professional OEM/ODM service provider, we own years of experience in design and manufacturing.

We offer ergonomic design and verification services for creating a series of innovative products. Cost effective and quality products are what we are concerned for our clients. With quality control laboratory and production management ability, we can be your reliable partner.

 **ESTABLISHED IN 2003**

 **BASED IN TAIWAN**

 **QUALITY ASSURED**

R&D Capability

- Customized product design
- Prototype development and verification
- Product packaging design

Manufacturing Capability

- 600 containers shipped a year
- Good quality assured in mechanical structure
- Assembly ability for easy installation to end users

Quality Control

- Various Inspection Equipments for different testing, including Projection comparator, RoHS Analyzer, fatigue, hardness and endurance capability testers to ensure the best quality provided
- Strict quality inspection for incoming material and finished goods
- Quality assurance is maintained at each step of production
- Products are manufactured under a strict control program with ISO 9001 certified

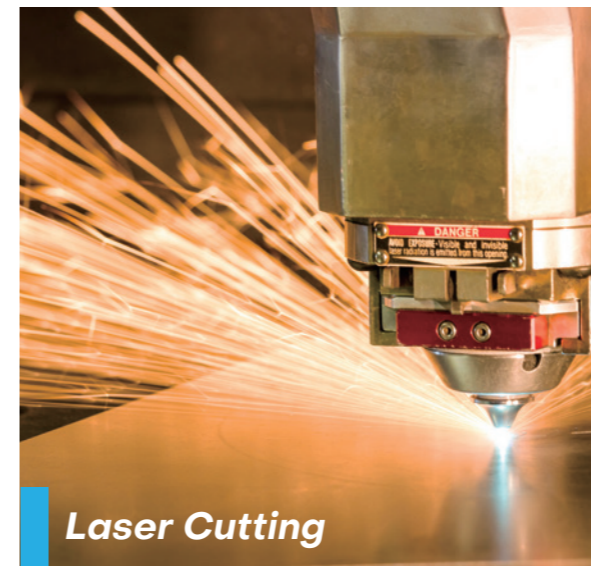

Introduction to OEM Capability Two

Metal Pressing

Powder coating

Laser Cutting

Metalworking

Professional in OEM&ODM service, located in Taiwan. Specialize in metal parts, goods and end products.

Metal Fabrication

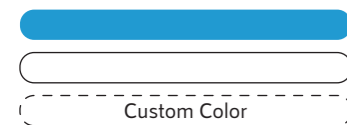

Peg Board Tool Trolley

// WP105

Description

- Easy to pull and push trolley around with large handle
- Height adjustable metal shelves
- Great tool trolley for general workshop use
- Comes with metal pegboard on front and back side which can be used to hold tools and equipment
- Available in customized size, color and whole product

Colors

Specification

Main Material	Steel
Pegboard Dimension	602.5mm X 550mm (23.7" X 21.7")
Top Shelf Width	300mm (11.8")
Middle Shelf Width	650mm (25.6")
Bottom Shelf Width	844mm (33.2")
Caster	4" Heavy duty casters (4 swivel and lockable)
Overall Height	1419mm ± 5mm (55.9")
Shelf Load Capacity	10kg (top), 20kg (middle), 100kg (bottom)
Product Weight	38kg

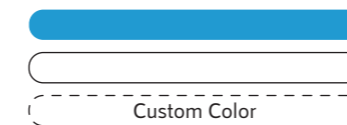

Peg Board Tool Trolley

// WP107

Description

- Easy to pull and push trolley around with large handle
- Height adjustable metal shelves
- Three different shelves to carry extra items
- With metal pegboard on front and back side which can be used to hold tools and equipment
- Available in customized size, color and whole product

Colors

Specification

Main Material	Steel
Pegboard Dimension	900mm X 450mm (35.4" X 17.7")
Top Shelf Width	400mm (15.7")
Middle Shelf Width	143mm (5.6")
Bottom Shelf Width	600mm (23.6")
Caster	4" Heavy duty casters (4 swivel and lockable)
Overall Height	1470mm ± 5mm (57.9")
Shelf Load Capacity	60kg (top), 20kg (middle), 100kg (bottom)
Product Weight	38kg

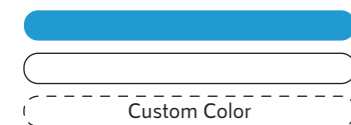

Mobile Peg Board Tool Cart

// WP103

Description

- With metal pegboard on front and back side which can be used to hold tools and equipment
- Ideal to support 5S and lean manufacturing initiatives
- Tools are always close at hand at the workstation
- Ideal for alternating workstations
- Available in customized size, color. OEM/ODM Product

Colors

Specification

Main Material	Steel
Pegboard Dimension	W 840mm X H 821mm (33" X 32.3")
Overall Height	1348mm ± 5mm (53.1")
Bottom Depth	500mm (19.7")
Pegboard Thickness	404mm (15.9")
Caster	4" Heavy duty casters (4 swivel and lockable)
Shelf Load Capacity	100kg (bottom)
Product Weight	29kg

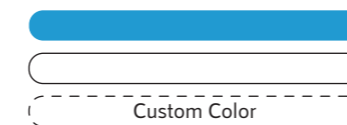

Mobile Peg Board Tool Cart

// WP111

Description

- With metal pegboard on front and back side which can be used to hold tools and equipment
- Ideal to support 5S and lean manufacturing initiatives
- Metal bottom tray is ideal for overstock, tool boxes and other large or long items
- CDG Tool Carts provide mobile and customizable solutions for organized and efficient use of tools and supplies
- Available in customized size, color. OEM/ODM Product

Colors

Specification

Main Material	Steel
Pegboard Dimension	944mm X 761mm (37.2" X 30")
Bottom Width	604mm (23.8")
Caster	4" Heavy duty casters (4 swivel and lockable)
Overall Height	1131mm ± 5mm (44.5")
Overall Width	604mm (23.8")
Shelf Load Capacity	100kg (bottom)
Product Weight	40kg

Mobile Workstation Cart with Lifting Table

// WP201

Description

- Ideal for multifunctional workstations and easy to adjust table height
- Easy and convenient to organize tools with shelves
- 4" heavy duty casters (4 swivel and lockable)
- Available in customized size, color. OEM/ODM Product

Colors

Specification

Main Material	Steel
Dimension	900mm X 492mm (35.4" X 19.4")
Desktop Dimension	500mm X 500mm X 18mm (19.7" X 19.7" X 0.7")
Lifting Table Height	725 - 1155mm (28.5" - 45.5")
Cart Width	380mm (15")
Caster	4" Heavy duty casters (4 swivel and lockable)
Overall Height	1266mm ± 5mm (49.8")
Overall Width	1194mm ± 5mm (47")
Load Capacity	200kg
Product Weight	46kg

Mobile Tool Cart with Shelves

// WP110

Description

- Easy and convenient to organize tools with shelves
- Ideal for alternating workstations and for space-saving
- 4" heavy duty casters (4 swivel and lockable)
- Available in customized size, color and whole product

Colors

Specification

Main Material	Steel
Pegboard Dimension	535mm X 450mm (21" X 17.7")
Dimension	559mm X 559mm (22" X 22")
Cart Height	1128mm ± 5mm (44.4")
Overall Height	1577mm ± 5mm (62.1")
Caster	4" Heavy duty casters (4 swivel and lockable)
Load Capacity	140kg (top), 20kg (middle), 20kg (bottom)
Product Weight	30kg

Mobile Tool Trolley

// WP104

Description

- Easy and convenient to organize tools with shelves
- Ideal for alternating workstations
- 4" heavy duty casters (4 swivel and lockable)
- Available in customized size, color and whole product

Colors

Specification

Main Material	Steel
Dimension	L 1277 X W 627 X H 966 mm (50.3" X 24.7" X 38")
Overall width of storage tray	980mm (38.6")
Width between Shelves	555mm (21.9")
Caster	4" Heavy duty casters (4 swivel and lockable)
Overall Height	966mm ± 5mm (38")
Load Capacity	100kg
Product Weight	40kg

Peg Board with Desk Clamp

// WP101

Description

- Steel Desk Pegboard with desk clamp
- With upper pagboard, it is easy to orgainize tools
- Peg board size: 602.5mm X 601mm (± 5mm)
- Available in customized size. OEM/ODM Product

Specification

Main Material	Steel	Load Capacity	10kg
Dimension	602.5mm X 601mm (± 5mm) (23.6" X 23.6")	Product Weight	4.5kg

Desk Peg Board

// WP102

Description

- Steel Desk Pegboard with aluminum desk clamp
- With upper pagboard and aluminum rail, it is easy to orgainize tools
- Peg board size: 962mm X 253mm (± 5mm)
- Available in customized size. OEM/ODM Product

Specification

Main Material	Peg Board - Steel, Desk Clamp - Aluminum	Overall Width	1164 mm ± 5mm (45.8")
Overall Dimension	1164mm X 650mm (45.8" X 25.6")	Desk Clamp Material	Steel, Plastic Cover
Pegboard Dimension	962mm X 253mm (37.9" X 10")	Load Capacity	40kg
Aluminum Rail Dimension	962mm X 50mm (each) (37.9" X 2")	Product Weight	9.4kg

Workbench Frame and Shelf

// WP108

Description

- Workbench upright frame and shelf with pegboard provide ergonomic storage and presentation of equipments and parts
- Easy to organize tools and accessories
- Available in customized size. OEM/ODM Product

Colors

Specification

Main Material	Steel
Overall Dimension	1270mm X 525mm (50" X 20.7")
Pegboard Dimension	678mm X 450mm (26.7" X 17.7")
Frame Width	1422mm ± 5mm (56")
Desk Clamp Material	Steel, Plastic Cover
Load Capacity	10kg (top), 80kg (pegboard)
Product Weight	20kg

Monitor Mount for Workbench Frame

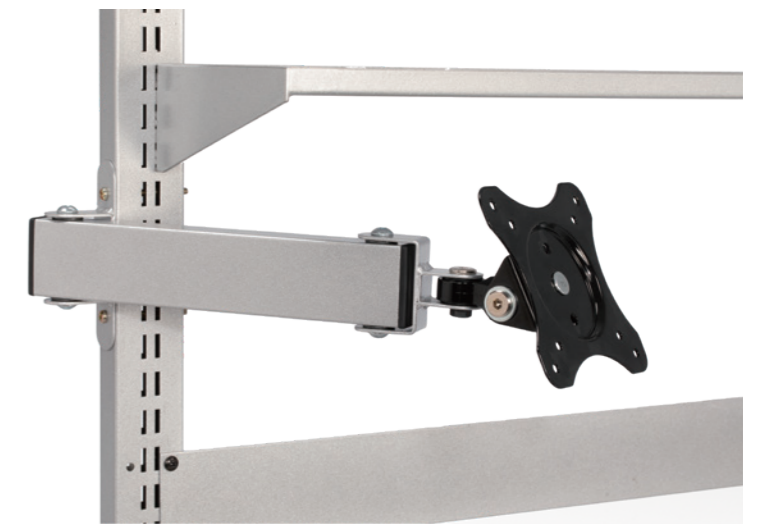

// WP112A

Description

- Accessory monitor mount is available to provide ergonomic working environment
- Easy adjustable arm can tilt, rotate and pan
- Available in customized design. OEM/ODM Product

Specification

Main Material	Tilt Angle	Product Weight
Steel	Up / Down to 80°	1.08kg
VESA	Pan	
75 X 75 to 100 X 100	180°	
Fits with	Load Capacity	
Monitor ≤ 21"	2.5kg	

Pegboard for Workbench Frame

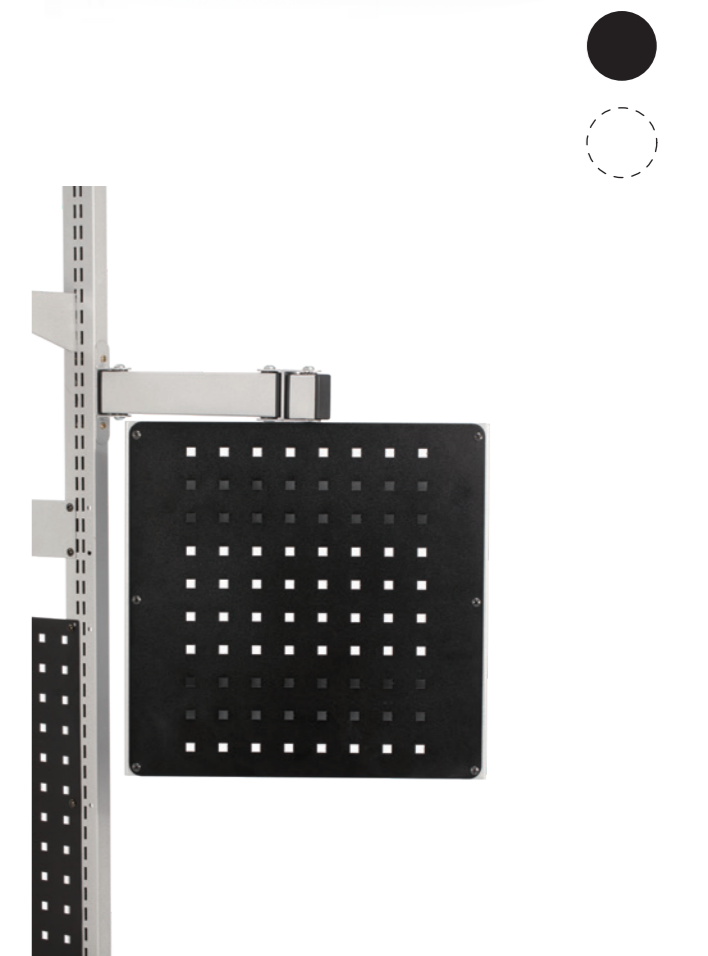

// WP112B

Description

- Accessory hanging pegboard is ideal for storage tools
- Available in customized design. OEM/ODM Product

Specification

Main Material	Steel
Pegboard Dimension	400mm X 398mm (15.7" X 15.7")
Load Capacity	10kg
Product Weight	5.3kg

Mobile Workstation with Height Adjustable Shelf

// WP202

Description

- Multifunctional workstation with height adjustable shelf
- Convenient for organizing tools with pegboard and shelf
- 4" heavy duty casters (4 swivel and lockable)
- Available in customized size, color. OEM/ODM Product

Colors

Specification

Main Material	Steel
Dimension	W 1000mm X H 1395mm (39.4" X 54.9")
Pegboard Dimension	950mm X 600mm (37.4" X 23.6")
Shelf Dimension	967mm X 400mm (38" X 15.8")
Overall Height	1395mm (54.9")
Caster	4" Heavy duty casters (4 swivel and lockable)
Product Weight	40.80kg

Electric Sit Stand Desk Frame

// ED02J

Description

This Electric Sit Stand Desk (ED02J) offers the perfect ergonomic workspace. This desk frame is extendable, width can be 43" - 53" and height is adjustable from 23.4"-49.4" to fit variety demands. Sturdy construction holds 120kg securely. With the smart control Memory Function, it is remarkably easy to switch between sitting and standing or any preferable height.

- 4 programmable memory settings

Specification

Table Feet	635mm (25")	Desktop Fitting Size	1143 - 1828mm (45" - 72")
Width	1090 - 1350mm (43" - 53")	Weight Capacity	120kg
Height	600 - 1250mm (23.6" - 49.2")	Motors	2
Height Range	650mm (25.5")	Memory Settings	4
Lifting Speed	35mm / sec
