Snap-on tablet case

Tablet Sizes (diagonal)

As a display mounting specialist, CDG's classic collection includes a series of mounting solutions for not only monitor screens but also tablets. Across from stationed mounting solutions to portable stands, each style comes with a snap-on case to fit for any tablet sizes from 7" to 10.1" with its extendable signature feature. Assisted buttons make it even more effortless and convenient for users to manipulate: such as Extension Adjustment button or Quick Release buttons to help mount or dismount freely.
